Uncle Jimmy, you were the "cool" voice of acceptance and love from my paternal roots. You loved me with great respect and I wept for your personal trials and tribulations. I'm sorry I did not love you stronger or more visibly. You never wronged me, never hurt us, never turned your back on us. You were the most genuine 'Thursby' love I had ever been graced with. Your name does not disappear but remain ever present in my heart. I will see you again, I do not doubt, I love you. Angie

I have so many fun memories of Jimmy while we were in High School together. Going to The Alabama State Fair with him is just one of so many fun times we shared. My Thoughts and Prayers are with the Family and Many Friends who at one time or another have Loved Him. Denise Walker Corley

Dear Thursby Family, I am so sorry for your loss. All of us have lost someone in death and the pain can be overwhelming. But please take comfort in the Bible's message at Acts 24:15 that there will be a resurrection.
