“ Joe was such a wonderful man and an inspiration to every one he met. He was a special friend to my late husband, Sam Vacarella. They shared many hours on the peaceful waters of Smith Lake. Sam always looked forward to the fishing excursions and came home with stories to tell of the fish he and Joe caught and those that got away. Joe inspired him in so many ways, from fishing to how to grow just about anything. I still have the swing that Joe gave Sam when we built our house. It is going to have a prominent place at the home I am now building in Florida. When I sit in, it I will think of Joe and Sam and that beautiful lake they must be fishing in Heaven. May your memories be of great comfort and the loving arms of God embrace you as you say goodbye to this wonderful man. God bless you all.
Love and Prayers,
Patsy Vacarella

“ My whole family loved Joe Knott! We knew him from working with Barber's to being a customer of ours at Ray's Piggly Wiggly at Smith Lake. He was always smiling and so nice to everyone he met.
Praying for Peggy and the family during this difficult time of loss. He will truly be missed!
