“ Sorry for your loss. May God give you the comfort that only He can give. Yours in Christ; Doyle and Cyndi Creel

“ I first met Nina and her family over 37 years ago when I first began going to Gorgas Baptist Church. She was the piano player and over the years took on many other roles along with her husband David. She was truly a child of God and he shined through her everyday. I will miss her and David greatly and am so sorry for their loss.

“ Oh Nina, this breaks my heart. You are going to be greatly missed. This wasn't supposed to turn out like this. We weren't ready for you to leave us. We just want to wake up and realize that this is just a bad dream and you're not really gone. This world has lost a beautiful, sweet, loving woman of God. It's funny how such a quiet meek person married into such a loud crazy family. I would imagine at first you wondered what you had gotten into. But the thing is you were meant to be a member of our family and you fit right in with us and we love you as a sister. Now it's your time to go home to be with God and all we have left are memories to get us through until we meet again. You took another piece of our hearts with you and life will never be the same. Instead of saying goodbye, we will say see you soon. I love you.
