“ *Today we will lay you to rest. We will share our grief and our precious memories. This will leave a gaping hole in all of our hearts but we would not call you back if we could. There will be no more tears or suffering for you because your Heavenly Father has taken you home. You were the glue that held the family together. You were the problem solver, the decision maker, the listener, the shoulder to cry on. You tried to take care of everyone. You welcomed people to your home and tried to feed anyone that come to your door. You did all these things and so much more but most of all - YOU LOVED. You sacrificed much to raise your large family but never complained. You just put one foot in front of the other and did what was necessary. We have all been blessed by being a part (large or small) of your life. We will miss you so!*
