“ I remember the time we were at the park and just talking about crazy stuff, next thing I knew I was doing cartwheels and you showed me up....cartwheels, handsprings, flips.....and when it was all over you looked at me and said, wow its been a long time since I did all that, I think I'm getting to old for it.....you were about 20 then....I miss those days, I miss you! I love you always

“ We were sisters, not by blood but that doesn't matter. She had a heart of gold. She loved her girls! I'll miss our gossip time with the very strong coffee she used to make! Pull a chair up for me when I get there did, we have so much to talk about. Sisters forever

She did love that strong coffee. I remember my dad making special trips to the store to get half and half for her.
