“ Dear Family, I am so very sorry about the loss of your dear loved one. May the thought at Job 33:25 give you comfort in knowing that Mr. Seier will return to the days of his youth and be able to enjoy life without the infirmities of old age. My sincere condolences to you.

“ Dear Seiers, What a dull place the earth has become. He will be missed by me and my family. We loved him dearly. It is good to know he will be in Heaven when I get there.....He would have found out exactly what I need to do, who to talk to, how to do it, when to do it, if I mess up, he will know how to fix it.....I can hear him now"Veda, just listen to me, I'm going to tell you exactly how it is and what you need to do." You know its the truth. I am so sorry for your loss, and the worlds lost.
