“ *Dear Family, I am so very sorry about the loss of your dear loved one. May the thought at Job 33:25 give you comfort in knowing that Mrs. Knox will return to the days of her youth and be able to enjoy life without the infirmities of old age. My sincere condolences to you.*

“ *To my dear sweet friend Ruth,*

You have been an example to me and countless others as to what a true friend really is.

Since I was a child you have always treated me and let me know how special I am in your eyes.

I know that today you are in heaven celebrating with family and friends and having a good ole time with that special laugh and your wonderful smile that God blessed you with.

May God continue to bless your family.

Your Pal,

Doug
