“ A fitting name

*Your name was Angela, we called you Angie
You were special, and you were humble
You were my friend ,my sister
I should have called you Angel, for so many times you were.
I look back on the laughs and conversations we had
I wanna go back and hug you one more time.
I wanna hear you say Miss Brenda one more time
I know you are with Jesus, I wanna be there with you too.
I really wanna see your smile again and hear your laugh.
Have you sitting in the church silently rooting me on.
Oh the prayers you had for me and the text and comments on my post.
I am truly heart broken and you are worshipping Jesus without me.
I will never forget you, every Christmas I will think of the beautiful gift you shared with me.
Where your heart was that day you gave it to me.
You are family and you are my sister.... Truly blessed to have had you in my life!
Your girls will be loved and cared for beyond measure....
Oh Angela..... my Angel. There has never been a more fitting name.
For now you truly are an Angel.*
