“ *I had the great pleasure to know Audie when he helped me cut my grass. He was an exceptional human being, a great Christian, and a loving father. He would "talk" about his children all the time. I will miss his laughs, his constant smile, and his ever-present piece of one (1) piece of paper he kept in his pocket on which he would write to me. I offered many times to give him one of my little notebooks, but he would just laugh and write that he had all he needed. We are all blessed to have known this person named Audie Wilson who never let ANYTHING stand in the way of him succeeding! Lynn Hudgins*
