“ *Mario,*

*I will never forget the first day I saw you and got to hold you. Your life with us here was a special and powerful expression of our Savior's Love. We were blessed to be in your presence. A little boy who caused many to stop and see God's grace and mercy in action. You helped us put away our worries and focus on God's power and love for mankind. I say thank you for the time you were with us. We will never forget you. You are now are free from pain, suffering from sickness and no more doctors. You are with the Lord and you have angels to entertain you and keep you smiling all day long. So run along Mario, play and have fun. We will forever hold your memory in our hearts as you have caused us to have an even greater determination to work harder for the Lord. Lord please help Eduardo and Angie Altamirano and the entire family in the day ahead. You are the Comforter.*

*Amen,*
