“ *I loved Barbara 🤔. She could always make you laugh 😊. She loved Dr Pepper as I remember my mom would take some to her. She meant a lot to my family and she was family. Her husband Bill, and my mom was 2nd cousins I think. Bill and Barbara would come to our house when I was about 15 and every Friday night my parent and them would play Rook 😊. I will always have special memories of her. She is home now.*

“ *I am so sorry to hear this. But remember she is in a much better place now, and free from all pain. I will be praying for your family as you go through this difficult time.*
