“ I remember a sweet happy little girl who gave the best hugs. I remember her as this precious toothless blonde at my daughter's birthday party many years ago. I remember her mom is one of the nicest, kindest loving souls I've ever known and she passed it on to Bethany. Oh sweet baby girl, you are missed so very much but I'm happy for you and I'm happy for God, He couldn't have found a more perfect angel. Sandra, you did an amazing job on raising this sweet girl and she is now fulfilling a higher calling than anyone could have imagined for her. Love y'all so much.

“ *Sandra and Vernon,
Me and my family send our deepest condolences to you in this devastating time. I feel so sad about the loss of this sweet young woman. She grew up so wonderful and beautiful and I know how proud you must be of the life she had and the life she chose. You raised a wonderful person and she will never be forgotten, she touched so many including me. I am so sorry that this happened to her and I pray that you find peace down the road. I think she would want us to be happy and celebrate the glorious life she chose to lead. I know that every time I look at Tiffani I will think of Bethany. I pray that she is getting settled into heaven and that we will all see her again some day.*

“ *Sandra and Vernon, my heart is broke. And I know yours is shattered. But I think of Bethany and what she would say. She hated for anyone to be sad.. I think she would say, that it's OK to cry for her for a moment. But after that dry your tears and remember her life for all that was good. So many people were blessed for knowing her. She was only here a minute, but she will be with Jesus for eternity.*

“ *Bethany, you touched so many lives, more than you could have possibly imagined. Every time you hugged my sister and told her you loved her and danced around with her and even wanted to take pictures with her made her feel special. To see you work with her and the other special needs was extraordinary because your heart of gold and your caring personality shined so bright. You made my day every day when you told me good morning gorgeous/baby. My thoughts and prayers are with the Harris Family. May God watch over you in this difficult time.*
