“ *Sending warm thoughts to the entire family in their time of loss. Living next door to Mrs. Handley and being best friends with Jodi, Mrs. Handley was a large part of my growing up. She welcomed me in her home, and I remember her telling me she loved me! I remember her making me eat raisins because she (always the nurse) knew they were good for me! She will forever be a part of who I am. May she rest in peace.*
