“ *I was Mrs. Godfrey's dentist for thirty years. She was one of my first patients when I began practicing in 1982. I will never forget her- she was one of my favorites. My office staff loved her so much, as did I. Her sense of humor was always a breath of fresh air. We will miss her dearly. Also, in going through her chart, we found a photograph of her from many years ago. If any family members would like this picture, please contact me.*

“ *Our heartfelt condolences go out to each of you. Our family also has lost a precious friend and sister in Christ. Heaven is a brighter place today. Her willingness and her love of service for others was truly an example of a true Christian. Jean served alongside me on Good Hope's tea ministry for over 16 years. You could always depend on her to attend every tea in and outside the church. We will miss receiving birthday and anniversary cards that she sent each year. She never forgot us. We were so blessed by her love and friendship.*
