“ I will always remember Brother Billy as a strong man of God. He served the Lord faithfully in every ministry and choice of which he committed himself. When no other stood for what was right, I remember Brother Billy being that one man of integrity who followed through with the stand that an elder of the church should make. He was determined to live out and apply God's Word in all situations.

*Brother Billy's quiet personality always blessed me. If you paid attention, you knew who he appreciated or loved. His life reflected all that we needed to know: he loved his Savior and family, always serving them wholeheartedly.*

*Once I was informed that an elderly gentleman of the church needed a ramp built at his house. Upon learning the information, I immediately found Brother Billy because I had every confidence in him that he would quickly fulfill this need. To my expectation, he recruited some other men from the church, and the ramp was built in a just a few days.*

*Brother Billy certainly leaves behind a legacy like no other. His wisdom was admired by all those who knew him. The quiet nature that God gave him was a refreshing change to this busy world. Certainly, with Brother Billy, earth's loss is heaven's gain.*

*"A righteous man walks in integrity. Blessed are his children after him." (Proverbs 20:7)*
