“ *My dear Uncle Bob, I'll forever remember your trips up north to visit and stay with us all. Always supportive of whatever I might have going on. Especially when mom was sick and I working OT helping with Samantha (my daughter) getting her to and or from school. Taking care of mom, just whatever needed to be done we could always count on Uncle Bob to be there. You will be missed, love you my Uncle Bob, your nephew Brian*

“ *Manny, I am so sorry for this huge loss in your life. He was such a good man who taught you how to work hard (digging the pool) and play hard (trips to Vegas with his sisters). He expected a great deal from you because he knew that you were capable and he loved you so very much. I am glad that he knew Manuel. I love you and Rachel, may God comfort you now.*
