“ *Mr. Busby was an outstanding individual! He was kind & compassionate, with sincere interest in his students. I did not have him as a teacher, but as a guidance counselor. He helped me explore colleges offering a degree in occupational therapy, which were all out-of-state at that time, & played a very significant role in my being able to pursue that career! Rest In Peace Mr. Busby, you will never be forgotten!*

“ Mr. Busby was one of those teachers that you knew what he expected from us as students. He seemed like a pain when I was his student, but now the structure he gave me is priceless. Thank You, Sir.
