“ *My sincere condolences for the loss of your wife, mother and friend. May the Bible-based hope of a resurrection to everlasting life as stated at Acts 24:15 be of the greatest comfort to you. One day soon, our enemy death will be eliminated. That is why Revelation 21:4, 5 states that there will be a time when all sickness, death, pain and sorrow will be a thing of the past. This is a promise that will soon be fulfilled. May this Bible-based truth bring relief to your grieving hearts.*

“ Dale came into our lives 17 years ago when she met my dad. From day one she taught us that the only step in this family was the one leading us into her home, which became our home. Whether we lived there or not it was our home. She accepted my dad through all of our crap and treated us as her own. Eventually I became her own. I cannot remember a time that she didn't introduce me as her daughter. She was my acted just like a mother to me, she was my mother. She taught me to cook, clean, she dressed me and had my hair done for my prom. She helped with my wedding. When I had surgery and no one to help me, she came over. I do not remember a time in my life that she wasn't there for me. Not only was she my mom, she was my best friend. No matter the problem, she was there. If I needed a laugh, she was there. If I needed to cry, she was there. And if I needed to be slapped in the face, she was there, LOL (inside thing guys). Point is, She was everything to me, and will always have a a huge chuck of my heart. Dale you were loved and neither me, Johnathan, the kids, or even Idget will ever forget you. I promise. I love you MOM!

“ John and family,

My heart hurts for you guys as you grieve the loss of such a wonderful person. Dale was such fun to be around and talk to. She was my buddy and I will miss her greatly. John, please know that I am here for you if there is anything you may need or if you simply just need someone to talk to. The last few years of her life you took such great care of her and I know she is very thankful to have had such a wonderful man as yourself. You and your family will always be in my prayers. I love you Brownie.
