“ There are so many beautiful memories for such an incredible woman. She had the patience of a Saint! But, call you out in a minute for doing something wrong. She was the best stepmother I could have ever asked for. We shared alot of things just between the two of us, over the past 50yrs or so. And she loved my Dad, every single day....and that's a tough job. Lol. She and my Dad were/are some truly great Christian people. I'll see you again Brender.... You made my world a better place!
