“ *You were the best person to be around and were loved by so many, especially me and Crystal you were the best thing that ever happened to us all. The day you married our mom you became our father you taught us so much, and was there for us, you stepped up and showed us what a real father was and should be. I will forever cling to every memory of you and I'm glad I made it clear often of how much you meant to me and how extremely thankful and lucky I was to have you in my life, and how you were the best father anyone could ever have, you loved us all so so much and you were always there for all of us and all of your grandchildren, oh my at all the joy that they brought you. We love you! Rest easy Dad we'll forever miss you, every single one of us you made such a big impact on our lives.*
