We were honored to have known a man to leave such a beautiful legacy. He mirrored Christ.

Bruce loved his church and his community. He wanted to see Empire thrive. One thing he always closed with was, "Won't you consider Christ today?"

“ *On my recent stay with my daughter MacKenzie, granddaughter Charlotte and son-in-law Tristan, I was blessed beyond measure to have met and seen Papa a couple of times while I was there. He became an instant inspiration to me and my life as I saw the sincerity of his joy and deep rooted faith in Jesus.*

Prayers go out to my new extended family for peace, comfort and strength on the road you now travel without this amazing man. Love you all.

“ I remember that young spit fire red head preaching at Dora church of God with a beautiful Randy Tracey and a tiny BruceAnn. Decades of memories. As an adult working at Camp Utopia with beautiful Cynthia , their precious daughter Morgan, and that head cook Bruce was always fun filled and exciting. “ To know my precious father in law was to love him. He may have been small in stature but his presence was massive. Papa loved God, his family and his community with everything in him and we were blessed to have his guidance and love. He was my pastor and taught me so much in our walk with Christ. We will see you again and will continue to follow the path you showed us all. We are missing you here but I know you received the eternal goal that you taught everyone by example to follow!! We love you and will see you again Papa but until then we will follow the legacy you left us!!

“ I will always remember him standing me up on the in remembrance table at Parrish Church of God. Trust was what he was preaching on.
He asked me to jump off the table into his arms and of course I did without hesitation cause I trusted him.

We laughed more recently because I said hey papa I bet you won't ask me to do that now...

He was like a 2nd daddy to me and he loved my babies. He was my mentor and my pastor. I loved him soooo much.
