“ *I miss your laugh & your smile/grin. I know you're well now & I am dealing with it. Please watch over us & know that I will think of what you would do or say when I have a problem I feel I can't solve. You taught me there is always a way & to "make every trip count" when I'm cleaning up things or bringing in groceries. Of course you taught me a lot more, but these two will be applied almost daily & I will think of you & smile each time I do them... Rest in Peace Grammy. We LoVed You Dearly and truly miss you!
