“ *I first met Carlton when he was 12.. My son, William O'Neal, and I purchased a trailer and rented a space from his grandmother. He was a precious young boy and had so much love to give. I loved him dearly. We moved far away and I kept track of Carleton thru the years and continued to love him thru all those years. I am so sorry he is gone and I will miss hearing from him and about him from William and Susan..*
