“ *Carmella was a friend that will never be forgotten. We met after high school, went to dances at the Lyceum, and shared many evenings with a mutual friend, Evelyn Finnegan. She loved her family more than anyone will ever know. She stayed in the South to be close to them. She is loved by many. May she rest in peace with the Lord.*

“ My sister was a sweet, gentle, caring person who was loved by family and friends. She suffered more than anyone should have to from her physical conditions and emotionally from the loss of her beloved daughter. My prayer is that she is at peace and reunited with her daughter, mother and extended family. My sympathy to her grandsons, Brandon and Justin and all who took such good care of her. I know her grandsons visits meant a lot and she always prayed that they will fulfill their Mother's hopes and dreams for them. My only and younger sister will be forever missed. With love and a heavy heart, Marcy

“ Carmella was and always will be to me and my family an angel sent from God. We spent so much time together and she helped me grow and be stronger as a woman. She taught me so much - all the time I was helping her - she was actually helping me. I miss her so much, but I know and have faith that she is in a much better place in no pain and with her mom and daughter.
