“ *Carden became part of my extended family when I was 8 years old. I will soon be 68 you do the math. Not only was she part of family but also we were neighbors for a while. She was always kind to me and would listen if I had something to say. She will be missed. May God give comfort to her daughter, peace that only God can give, and the joy of having a heavenly Father to carry us when we cannot even seem to walk forward.*
