I pray the Lord give you all peace and understanding as well as the strength to make it through the difficult times. “ *I have lots of fond memories of Carroll. I was invited to their home many times & she & Buddy always made me feel welcome. We shared fun times together, even before that special little Grandson came into our lives & then there were even more. Little Matthew enriched our lives so much. We had pictures made together, went to the zoo together, had birthday parties & soccer games too. I'll always remember her sweet smiles, always pleasant to be around. She will be so missed, by family , friends & all who knew her. I Loved her. Linda Phillips*
