“ I am saddened to hear of Caroline’s passing. She was a remarkable person who made a huge difference in the lives of so many through her leadership in the Birmingham Walk to Emmaus Community. I was privileged to work with her on several of those walks. My life was richer through knowing Caroline. My prayers go out to her family in their time of grief.

“ Caroline and I played together as young girls I have so many good memories of our childhood. She will be greatly missed.
