“ *I knew cecil all my life. I know he will be sorely missed. I grew at my grandmother lois myers house in sumiton which was less than a mile from his home. We were cousins because she was a tucker before she married. Cousins or not, cecil would always do anything he could to help people. A leaky pipe, a faulty plug...if it was something he felt needed more than he could do then he knew who to call to help. I will always remember him fondly as a man that despite his own troubles, he would always had a kind word and a helping hand.*
