“ *Uncle Charles was always loved by me and I have many fond memories. One time when I was a teenager, he bought me a complete set of new tires on my Chevy Vega. I had been unemployed some time in 1987 and landed a new job in Florida. Uncle Charles took me to his Credit Union, borrowed \$500 and loaned it to me to rent an apt and live on until my 1st paycheck. I remember when Uncle Charles was stationed in the USN in Mayport, Florida but he and Joyce lived in Green Cove Springs. He would throw a net off the pier and catch Shrimp. I also recall when Uncle Charles was stationed in Key West and we visited him and Joyce there one February in the 1960s. We went to the seaside Carnival and ate Conch! Gone but never forgotten by me. Uncle Charles.*

“ *I did not know about this until 4 months later when I called to talk to you & Aunt Joyce. Nobody called me & you are my Mother's brother. I will miss you, Uncle Charles, but only until we all meet in Heaven & be together one day soon. I still have all the fond memories over all these years. Rest In Peace, Uncle Charles.*
