“ Charles and I went way back with Mayer Electric, and he was
certainly a jewel to be cherished. I never saw Charles without a
smile. He will be missed by many, but always remember, they never
truly die in our hearts, because you will keep the memories you
created with him through the years. May your healing come swiftly,
and may your memories always keep his soul in your hearts and
minds. My sincere condolences.

“ *Papa will be greatly missed! I'll never forget the love he showed me when I joined the family. I missed out living so far away and did not get to introduce my boys to him. His story will continue to be shared as well as my dad's. Now they get to be reunited!! My love and prayers to the entire family - Alli Toya*
