Thank You so much for the kind words, David. I want to especially thank You, Donna, Kim, Sherry and Amy for the great care and attention you gave mom. All the CNA's have big hearts for the residents and it showed in the way they took care of mom. Also the PT, OT and Speech Dept were great with her despite the fact she really didn't want to be bothered. lol I hope you guys are still around when it's my time to need your help. God Bless You All !! Becky Luckey York
