“ *It's still such a shock. He was one of the nicest people I have ever met! I wish we had had more time playing ESO and listening to him laugh. He loved his family and Violet so much. He will be deeply missed.*

“ *I don't even know where to start. My little brother was a fantastic person and he had so much going for him. He knew how to go after his dreams. I will miss him every day and I love him.*

His little girl was the light of his life and he was an amazing dad. She will grow up knowing how much he loved her. I just wish he was here for it.

I love you. And I miss you.

“ *The days and nights spent with Chris in Cub Scouts, were always special to me. His love for nature and interest in things found outdoors were mesmerizing. He had a thirst for life like no other. I was very sad the day you moved back to Alabama. The time spent later, during his teens, for a summer vacation from school, he spent the daytime with me and my family. He was typical teenage boy full of himself and his plans for his future. We ate together, and spent time running service calls and chasing car parts for repairs. I missed the time we spent, when I had to give him back to his folks. This family has a love and respect for each other that is not common today, but is real. You cant spend more than 15 minutes with them together, without seeing that the love and respect for each other is very real and genuine. Larry and Paula, there is nothing me or anyone else can say at this time or in the future that can change the past. Chriss knew that he was loved and there is no doubt in my mind that he loved you both and all his people that he chose as friends. I feel blessed to be a small part of your very special lives. Thank you all for being in my life. Rick Mitchell. (PS Remember the good times. Tell the stories that make you laugh. He would want you to smile when you think of him. We will miss him, but, he would not want us to be sad.)*

“ *Drew was Lucas' whole world. She gave him a new purpose and was the light of his life. Drew made him a father, but also a better person and a stronger man.*
