“ *Heartfelt condolences to my dearest Aunt Sara on the loss of Uncle David. David loved his family so much and took pride in helping anyone in need. He loved talking about cars and had an infectious smile that could melt your heart if you were having a bad day. He was a truly blessed man for having Sara in his life. He will be missed and cherished in our hearts forever. Thank you Uncle David for always giving your encouraging words of wisdom and your gentle soul. We love you and miss you very much.*

“ *Uncle David will always have a special place in our hearts. We all grew up together and going home to granny's meant getting to play on the hill in Praco with you, Susan and Keith. I will never forget how you helped Jeremy get his first car and how excited you both were when hew saw it. You also got Rachel her first new car. We have so many good memories. You will be in our hearts forever.*
