“ *I Love you Uncle Dave ❤️ I bet you'd never believe me if I told you that my favorite salad is a Caesar salad! It is, but I'd love to hear you tell that story one more time! You always make me smile and no one could tell a story quite like you. You are already missed Uncle Dave and I love you so much.*

I am so sorry for the loss of David. Though we were not close friends, he was always funny and sweet. My husband and I happened to bump into David about two years ago at the McDonald's in Sumiton. He gave me a big "bear hug" and we chatted for a while. He was off to the airport. We recently had a very long phone conversation (the first one ever). We talked about everything from making cornbread, gumbo, our school days to our children and spouses; and everything in between. It was a fun conversation. When we were talking about making cornbread, I asked him if he put sugar in his (I don't). David was horrified at the thought of it. My heart breaks for you all, Sara, Ami, and Davey. I'm praying that you will feel the peace and comfort of the Holy Spirit with you at all times.
