“ *I was privileged to work with Ed, Jim and Jon at Golden Flake from 1975 til 1990. Ed was always a positive influence and always cheerful and smiling. We shared many good times during my 15 year tenure. He was definitely one of the Good Guys! Prayers for the entire family. God Bless.*

“ *I am saddened to hear of Ed's passing. I worked with him at Golden Flake for many years until he retired. He was one fine man. I didn't see him often after he left and it was usually at funerals. My condolences to his wife, Susan, Jim, Jon and his sisters. God rest his sweet soul.*

“ Ed Fitzgerald was a good, kind man. From the moment I married his nephew Robby Hill, he was one of the first to welcome me into the family. I only knew him as a gentle man with a huge personality...he loved all the families children and went out of his way to make them all feel special. He will be missed by many!

“ I worked with Ed at Golden Flake for about 9 years. He was a sweet, gentle, an extra polite person. He was always so happy and friendly until one day I began to see the loneliness and sadness he was hiding. I loved Ed and thought he deserved the very best so I introduced him to the very best, my friend Susan McCreeles. They got married and I was alone. We would go out to eat every Sunday after church Ed never allowed me to pay for anything. I remember one time when money was short (I used butane gas for heat) when Susan came over and smelled that it was low they, she and Ed had my tanked filled up. Neither one of them would admit it, but I knew that they allowed the LORD to use them then and many times since then. I will never forget Edward, as I playfully called him, I loved him very much.
