“ *Dean and Ed's family. Ed was truly a wonderful person. Ed has been in my prayers for months. I always considered him a true friend. My first thought after hearing that he was now in Heaven was that the only person I could compare Ed with was my own father, Raymond Nesmith. Ed was a gentle, honest and true friend. He would do anything to help anyone in need, just like my dad. It is hard to write this with the tears I now have. Ed will never be forgotten and the good memories we have of him will live forever. All we have to do to see Ed again is to make sure that we welcome Jesus into our lives. I know that the hardest thing is missing Ed from our lives now, but we will see him again. Dean, you and your entire family are in our prayers.....Ron Nesmith*
