“ *First off I want to the thank everyone for coming out today to pay your respects to my grandfather. I know that he would have appreciated it very much. Secondly Grandpa, you may not have been out blood grandfather but you were the only one we knew and you did not care that we were not blood, you still thought of us as your own. I will miss you. Hope that you and Granny are playing catch up right now. See you again someday. Love you.*
