“ *Few people have ever had the privilege of traveling via Motor Home to Alaska--my husband & I did--Alvin & Elizabeth traveled with us one summer all the way from Brookside, Alabama to Anchorage, Alaska (and points between). We put over 17,000 miles on the motor home--had a WONDERFUL experience with these 2 very special people; we will always love both of them--words cannot express how very sad we are that Elizabeth is no longer with us. Even though we have moved away from the area (and have at times been VERY FAR AWAY,) we always remember our shared times with the family; we always stopped by to at least say "hello" to Elizabeth & family when we had an opportunity to be near her. We will miss her; but God had other plans for her; she and Alvin must be having a "grand ole' time"--we envy them!!!! Our hearts bleed for all the family, but please know that you will continue to be in our prayers, and we will never FORGET YOU ALL. WE LOVE YOU-- FAYE & FURMAN*
