“ E.J. and Wanda are dear friends...Their children and grandchildren are icing on the cake. E.J. kept us laughing from 2003 until May 8, 2017. If you know what it means when he says, "The bank is closed," then you are in the inner circle of a long standing joke that has kept us laughing for more than a decade. We look forward to the day when we will meet again on the other side of eternity. Love always, Dwayne & Gina
