“ I was around 7 yrs old maybe when I met Franck, I always talked to him and Patti at our grandparents house. They took me with them to the carnival on one of their dates. I was a flower girl at his and Patti's wedding. When my kids were little he took our daughters to the races. I just saw him at my dad's memorial service. We all talked about getting together when I come back this year. I know he truly will be missed by many people. Especially Patti and their kids, and grandkids.
