“Mrs. Geneva was the most kind and caring Christian lady you could meet. She always had a bright smile on her face that would light up the room. My greatest memories of Mrs. Geneva Martin are from her working in the cafeteria at Trinity Camp. I attended Trinity Camp almost every summer as a kid, and she was in the kitchen most of those summers. Everyone looked forward to meal time because you knew a fresh, homemade, hot meal was awaiting you. Her yeast rolls and cinnamon rolls were the best!!! We could never get enough of those! She would always ask about how my mom and dad was doing. After I got married and my husband and I would visit my brother, Mike Cox, at Forestdale, she still had that same beautiful smile on her face and always had a hug for me! She was one of those people that you knew without a doubt, that she was a sincere Christian and cared deeply for others. I know she will be missed by so many! My prayers are with the Martin family and her church family and friends.

MO

Aunt Geneva is one of my many favorite aunt's. One of my fondest Memories is our family reunions at Camp Trinity. She put in a lot of hard work planning and organizing our family reunions. She had things planned for the very young to the oldest. The one thing I enjoyed the most was just sitting around and listening to her and her sisters and brothers talk about them growing up. The second best thing was always her cooking -how well she organize the kitchen and we had very good food to eat and her yeast rolls were the best. I wish I had the joy of cooking the way she did.

Aunt Geneva will be missed very much- she was the glue to our family. But now she is in heaven and she will have the best Christmas of all with Jesus.

I wish we could be there with you guys tomorrow. Please know Uncle Lloyd, Abigail, Bill and Jim you will be in my prayers and my thoughts tomorrow. We love you guys.
