“ "Uncle" Pujam used to pick on me unmercifully, he got a big kick out of taking me to feed the hogs. This one particular time at Grandma's, Grandma told Pujam to go feed the hogs, he asked me if I wanted to go with him. I know he was thinking, I'll get this little city slicker out here and scare her. Well, it worked. The ol' sow ran toward the fence after he knocked on the fence post and got her riled up. Scared the beejeebies out of me. I couldn't get back to Grandma's house fast enough. That was the first and last time I ever went with him to feed the hogs. Pujam was also very tender, or at least with me he was. I always felt safe with him.
Rest in Peace and Thank you for your love.
