“ *Hanna was many things to me; my friend, neighbor, hairdresser, confidant, and I will miss her terribly. She was a friend and also cut my husband, Tim's hair. We were always hollering at each other back and forth across the road when we were outside. She loved working in her yard, raking and tending to her beautiful flowers. She was kind to everyone, including animals which she often kept stray kittens and had at least a couple of fur babies she treated as her children. She helped people whenever and wherever she could and was needed. She touched many lives and will be missed by many. I give the family my heartfelt sympathy for the loss of this Mother, Grand and great-grandmother. May you find peace and comfort now and in the days ahead in this most difficult time. May the Lord bless you and give you strength.*
