“ *I met dear Hazel and her husband many years ago through Molly Walker and her family. However, it wasn't until years later did I cross paths again with Hazel when she started going to the same church as I did. It was during that time we found out we were related! It seems that her grandfather and mine were brothers! I was so blessed to have her in my life. She was the true Godly woman. I will miss you Hazel, your beautiful smile, your joy, and the love you gave so freely.*
