“ I love this kind, generous, loving & beautiful woman. She was like a second mother to me. I spent most of my teenage years visiting in her home with her family & my BFF Jeannie Kay (since 1968,) if not every weekend than every other weekend.& in the summer months 2-3 nights a week.oh the wonderful unforgettable memories we made.one Saturday comes to mind , I taught them how to pay the card game canasta.we played for hours at a time. The very next Sunday morning at 3:30 and Doris woke us up to play. We played until 5. I was so sleepy. Lol. I will always be thankful for Doris' live along with her immediate family & extended family they gave me so much love. I will always love her & be thankful for all the love she gave me & Christian lessons she taught me. & all the times she picked me up & took me home. God bless you Doris I will see you in Heaven.
