“ I have never met Hershel but I have the pleasure of knowing his grand daughter Jessica and His two daughters Deborah and Glenda . Jessica loved her grand parents so much we have spent many lovely hours with her telling me sweet stories of just how special they were. Jessica is a beautiful girl that I love so much. I can say she is such an inspiration to me and I wish to express my deepest sympathy but also congratulations to you all on what a wonderful family you have and I know he will be missed greatly. Love and Prayers coming out for you're peace at this time. Thank you all for the honor of friendship of such nice christian people. No doubt he is in a better place as Jessica has told me what a God loving man he was. What great comfort that brings us at this time. God bless you with the joys of heaven Hershel.
