“ Junior Brand was a special person to our whole family, he was part of our family. He was the first preacher to baptize me. (I think my brother, Thomas told him to hold me under til I bubbled!) One thing I loved about Bro Junior is if you asked him something, you better get ready for the answer because he was not going to sugar-coat it for you. He told it gun-barrel straight just like he preached. We don't hear much of that straight, old time preaching anymore but I can close my eyes and see him with his arms raised, runnin a streak across the platform at Phillips Chapel Church doing what he was born to do... Live the Word , Preach the Word. “It saved a wretch like me,” How about you?

“ *My deepest condolences to you all. Brother H. Brand was a blessing to so many and will be missed. What a Happy Celebration is going on in Heaven though... Until we all get to Heaven we will have to continue to share the Light and keep on loving. The Family and friends are in my prayers.*
