“ *The grief that is felt when we lose a loved one may seem unbearable, especially a precious child. At such times, we can go to God's word for comfort. God too feels hurt when an individual dies. That is why the encouragement found at Revelation 21:4 assure us that "He will remove sorrow and death will be no more." According to this scripture, there will come a time when those we have lost to death will be brought back by means of a resurrection by the Almighty God. May the family find the comfort that God makes available to all persons.*
