“ *I love you, Izzy. I can't put into words how much I miss you, how empty my life feels without you. It's painful, and I hope I have the chance to see you again in the future. I know you tried to prepare me for this, but I never wanted to discuss the inevitable. I'm sorry. If I had listened, perhaps the pain wouldn't be as severe. I would give anything to hold you one more time, or just to hold your hand. I wouldn't trade the past ten years for anything. There's much, however, I would've done differently. I will continue to talk to you when I'm alone. There's a possibility that you can hear me. That's my hope. I love you, I miss you, and I want nothing more than to see you again one day. I know you wouldn't want me to suffer, and I'm trying to get there. I love you, and you'll never be forgotten.*

“My dear, dear friend. I will see her again in Heaven. My heart aches for her family. I will miss our banter on fb. I will miss her encouragement and our shared laughter. But, my heart rejoices that she suffers no more. Forever loved!
