“ I met Jackie in the 2nd grade when we moved to Childersburg. He was my first friend making me welcome. He loaned me marbles so I could join the game and immediately won them back! I never heard anyone say a bad word about him. I appreciate his service to our country and his heroism. What is remarkable is that he looks the same now as I remember him as an 8 year old! RIP Jackie

“ *Jackie and I have become very close the last 15 years. Jackie is loved by all the members of the NDQSA. (ndqsa.com)*

*Jackie, Luke Clark and I purchased a legacy painting for Air Defense Artillery Association Museum in Fort Sill, OK. We also worked on benches and laying bricks with our fallen names around a Stinger Statue in front of the Museum. We attended the Military Balls twice at Fort Hood and three times at Fort Sill. We were very involved with the Air Defense Artillery speaking with a few of the AIT classes at the museum. Jackie was a down to earth old county boy that was a highly decorated man. This old country boy loved you.
RIP*
